

Cabot Youth Scope and Sequence

The youth program focuses on three areas:

Most of the teaching and instruction comes from Sunday School Class. Because this is true, it is important that our teens be taught some basic and foundational principles when it comes to the Bible and Christian living in our Sunday School program. The Scope and Sequence is here as a plan for a systematic study of key topics throughout the time of a student's life in the youth group. There are 9 important issues/topics that we want all of our students to go away having been taught. We feel like these issues are some of the most important topics for the spiritual health of a teenager. These are:

9 Most Important Topics

1. Jesus
2. The Bible
3. Evangelism
4. The Church
5. Doctrine
6. Relationships
7. Christian living
8. Discipleship
9. Spiritual Gifts
